I give permission for my child \_\_\_\_\_ to fully participate in The Adventure including transportation to and from the Adventure location.

While I understand that these activities will be well-monitored and safely undertaken, I also understand that there are inherent risks involved in any activity.

**I therefore agree to hold harmless Ashland Zen Center, and any supervising adult volunteer, for any injury my child sustains during The Adventure or during transportation to and from the Adventure location. I understand that I am responsible for all expenses related to any medical treatment during The Adventure or after.**

I also understand that should my child sustain any injury or illness while attending The Adventure, I hereby authorize the Camp Counselors to administer necessary first aid, and to provide any necessary information required by a medical facility.

## CAMPER SAFETY AGREEMENT

Name \_\_\_\_\_

**During The Adventure I will take responsibility for the safety of my self and the group**

Because of the danger inherent to camping, I will follow the instructions of Camp Counselors at all times and agree to respond positively and quickly to such guidance.

I will ask questions to satisfy myself about possible hazards and how to be safe.

An Adventure by its very nature encourages us to get out of our comfort zone. As with any wilderness activity, I understand that rugged terrain, the weather, potential encounters with wildlife, and travel to and from the program, may subject me to risk of accident or injury.
